LEADERS IN MOBILE WEIGHING

**Pallet truck scale**

**X-TRA** line **B**

The X-tra B pallet truck scale combines a highly accurate weighing system with a high quality Swedish pallet truck. With the Timotex X-tra B you weigh pallets and containers during movement and at the place of handling. You save time when checking incoming and outgoing goods and during dosing and filling processes. The X-tra B is developed for industrial applications and is protected against water, dust and shocks. The exchangeable battery module provides 35 hours continuous use.
